## For Your Information

### Menu Selection

To assure that your menu selections can be made available, please submit them at least four weeks in advance. Custom menus should be discussed directly with your Catering or Convention Service Manager.

*Consuming raw or undercooked meats, poultry, seafood, shellfish or eggs may increase your risk of food borne illness, especially if you have certain medical conditions.*

### Cenegenics

Cenegenics Medical Institute – the recognized leading authority in age management medicine – proudly endorses our health-centered banquet menu. Boca Raton Resort & Club, with its spirited tradition of catering to the evolving lifestyle of guests, collaborated with Cenegenics' expert physicians, nutritionists and chefs, to present menus focused on low-glycemic nutrition, shown to maximize health potential. These Cenegenics-certified menus boast organic and whole-food alternatives – including phytonutrients to resist disease; essential fats for healthy cells; lean protein for energy; fiber for reduced cholesterol and healthy digestive tracts. We are pleased to present these “lifestyle menus” as part of our Banquet Guide.

## **Morimoto Sushi**

Sushi Master Masaharu Morimoto of Iron Chef fame provides his signature menu items offering a unique selection of sushi, sashimi and maki. Internationally acclaimed for his extraordinary take on Japanese cuisine, menu selections are characterized by his creative combinations of ingredients. Morimoto products and trained chefs are optional based on availability.

## **Serendipity**

We are pleased to be able to offer Serendipity's legendary desserts, ice creams and feature their world famous Frozen Hot Chocolate. These menu selections will delight adults and children alike. Truly devoted dessert decadents won't want to miss this experience.

## **Meal Guarantees**

A meal guarantee is required 48 business hours prior to your function. A 72 hour guarantee is required if your function should fall over a weekend. The Resort will be pleased to set 3% over the guarantee for functions. If a meal guarantee is not given, the Resort will set it based on the current house count of your group, or last available written estimate. If attendance falls below the guarantee in either case, the host is responsible for the number guaranteed.

## **Decorations, Music and Entertainment**

Flowers, decor, specialty linens, and entertainment can be ordered with your Catering or Convention Service Manager, or directly with our in-house decor and floral company, **Boca by Design™**. Ice sculptures of almost any design can be provided for decoration at an additional charge.

## **Audio/Visual Requests**

Our highly trained Audio-Visual staff can provide you with the latest in technical equipment along with superb service. Rates and information are available under separate cover. Please contact your Catering or Convention Service Manager or our Audio/Visual department directly.

## **Signs and Displays**

Pre-approved signage is permitted in the registration area and in private function areas only. No signs are permitted in the Resort lobby or other public areas. With advance notice, our art shop can prepare a sign for your function at a nominal charge.

## **Banquet Checks**

The function sponsor or authorized representative agrees that by signing the guest check for services rendered at the end of a function, there is no dispute over such services and the sponsor is solely responsible for the payment of the total amount due.

## **Food and Beverage Service**

The sale and service of alcoholic beverages are regulated by the Florida State Liquor Commission. The Boca Raton Resort & Club is responsible for the administration of these regulations. It is Resort policy therefore, that liquor cannot be brought onto the property from outside sources. Additionally, the Resort does not allow food to be brought onto the property, whether purchased or catered from outside sources. All boat charters originating from the Resort must utilize the Resort's catering services.
