

## ABOUT THE PROGRAM

At the High Performance Tennis Academy, we believe that every player is unique and may have different needs to improve their game. Our goal is to teach and coach our players in a way that is best for their game to achieve the best results possible. Our world class coaching team is committed to providing customized training for junior tennis players who aspire to play at a top college or on the professional tour. We believe that positive reinforcement and motivation will build champions both on and off the court.

*“One important key to success is self-confidence. An important key to self-confidence is preparation.”*
