About Chef Adam Pile

One of the most renowned dining establishments in South Florida, Boca Raton Resort & Club's premier, modern Mediterranean restaurant serves inventive Italian cuisine with a Tuscan flare. At the helm of the kitchen, Chef Adam Pile is a long-standing member of the Boca Raton Resort family and has served as Executive Chef of Lucca for more than 7 years.

Chef Adam's culinary philosophy is simple - to maintain the integrity and natural flavors of the finest ingredients at the peak of their season and to serve with the warmth and hospitality that embodies Italian cooking. With each seasonal menu, Chef Adam continues to create ingredient-driven dishes that pay homage to the rich tradition and history of Italy's many regions with a sense of playfulness and creativity that draw on local ingredients and influences.

From fresh ingredients carefully selected by local and Italian purveyors, fish caught within just a few miles of the Resort, Lucca's award-winning wine cellar, hand-picked herbs harvested from the garden and fresh pasta made in-house, Chef Adam and his team are dedicated to bringing together authentic regional cooking with the hospitality and warmth that can only be found at the Tuscan table.

A handwritten signature in black ink, reading 'Adam Pile'. The signature is written in a cursive, flowing style. The first name 'Adam' is written in a larger, more prominent script, and 'Pile' is written below it in a similar but slightly smaller script. The signature is positioned vertically on the right side of the page.
